

# School Facilities

## 學校設施

The school building is comprised of six storeys and includes 24 standard classrooms and other well-equipped rooms for arts and crafts, STEAM, language studies, remedial teaching, conferences and interviews. Other facilities include a well-stocked library, multi-purpose room and a covered playground.

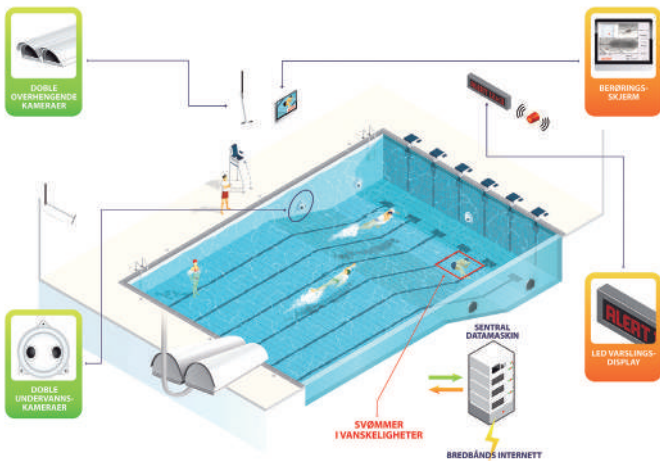

Our new Angela Leong On Kei Swimming Pool Complex provides a basketball court, a swimming pool with 5 lanes and another covered playground. For water safety, we are the first primary school in Hong Kong that has installed the Poseidon System in our swimming pool. The system helps lifeguards detect swimmers in trouble.

Wi-Fi is available throughout the school, so mobile-learning can be incorporated into our curriculum.

本校校舍共有六層，配備完善設施，其中包括二十四間標準課室及設施齊備的特別室，以供視藝科、創新科技科、語文科、學習加強班、會議及面試之用。此外，本校亦設有藏書豐富的圖書館、多用途活動室及有蓋操場。

而新建的梁安琪泳池綜合大樓則設有籃球場、五線恆溫泳池及多用途有蓋操場。本校是全港第一所於泳池內安裝溺水偵察系統的小學，充分保障了學生的水上安全。

為配合電子教學課程發展，本校已實施全校無線網絡覆蓋。
